**TURN THIS...**

**...INTO THIS**

*for your school*

**\$1 FOR EVERY BAG YOU SELL!**

School Cookies is a national fundraiser presented by the NZPTA and School Cookies Ltd in conjunction with Griffins Foods and supported by TV3. It is a great concept based on the fact that everyone buys and eats biscuits. School Cookies has been specially developed to support NZ schools and pre-schools by providing an easy and fun way for you to raise funds.

**Are you interested in giving it a go?**

You have nothing to lose and everything to gain. In 2005, hundreds of schools and preschools from all around the country successfully sold School Cookies in their communities. To date \$1.4 million has been raised towards the individual projects of the participating schools & pre-schools.

**So what's it all about?**

The biscuits are chocolate chip style cookies, chosen because it is the most popular type of biscuit bought by kiwi households. They are packaged in unique 200gm size "School Cookies" bags. There are approximately 17 cookies in every bag and children report that they are tasty!

***Kids love cookies and chocolate chip is a winner!***

**OK. So how much are they?**

The retail price for the cookies is \$2.50 per bag. You keep \$1 for every bag sold. That's a 40% profit. The good news is that you don't have to pay for the cookies until after the selling period.

**When does this fundraiser take place?**

There are two selling periods in 2006. You can choose to participate in Term 2, Term 3 or both. This option allows you flexibility in planning your fundraising calendar for the year.

**How do we order?**

On the opposite page you will find a tear off order form. Appoint a co-ordinator from your PTA

or school, fill out all the details and return to us by fax or post. We will confirm your order upon receipt. Orders close for the Term 2 campaign on the 7th April 2006 (the cookies arrive mid May). Orders close for the Term 3 campaign on the 23rd June 2006 (the cookies arrive mid August).

***School Cookies has raised over \$1 million - why not be part of it?***

**How many should we order?**

Place your order by the carton - there are 10 packets of cookies per carton. Last year, orders of one or two cartons per family to sell was a very popular choice. There is no limit.

**Payment:**

Term 2: Payment for the whole order is due by 30th June 2006. Term 3: Payment for the whole order is due by 22nd September 2006.

**Note:** There is a no return policy for unsold cookies. However, they have a shelf life of 9 months so you can continue to sell them well after the payment due date.

**We will support you**

TV3 is proud to be a supporter of School Cookies. The campaign will be promoted nationally on TV3. We will send you some sales information either by post or email which contains helpful advice on how to organise the event and how to generate your own publicity at a community level. You can contact us at anytime on 0800 464 474 or visit our website.
